

World Environment Day 2020

Theme: Time for Nature

CALL FOR ENTRIES

The State Council for Science, Technology And Environment (SCSTE), Meghalaya invites online participation for the following events

A. Innovative ideas (14-18 yrs)

~Tickle your imaginative young minds and put on your **out-of-the-box** thinking cap and tell us in writing on how you would like to celebrate **World Environment Day** differently in **'COVID-19 Lockdown situation'**.

B. Drawing Competition (10-14 yrs)

Take out your pencil and crayons and doodle your beautiful art based on this year's theme.

Terms and conditions:

1. Only online applications from participants within the above age limits will be eligible for the above competitions.
2. The work should be original and parents of wards are requested to exempt themselves from helping their children.

Attractive prizes to be won

Winners will be announced on the 6th June, 2020

Entries can be submitted to stcouncilmegh@gmail.com on or before the 4th of June 2020
