The Department of Science & Technology, Ministry of Science & Technology along with 12 Scientific Ministries/Departments in collaboration with Office of the Principal Scientific Adviser to the Government of India is organizing the Emerging Science, Technology and Innovation Conclave (ESTIC-2025) from 3rd-5th November, 2025 at Bharat Mandapam, New Delhi. The event is expected to be inaugurated by the Hon'ble Prime Minister of India.

ESTIC-2025 is a high-end Science and Technology event and aims to address the contemporary STI issues along with the policy interventions to position India in Global STI map in near future. The conclave is anticipated to draw active participation of distinguished experts include Nobel laureates from around the world and Eminent scientists from all over the country. The event also anticipates international participation, promising a global perspective on science, technology and innovation. There will be active participation from the research and development ecosystem, pertinent ministries emphasizing science, academia, industry stakeholders, and policymakers.

STI plays a crucial role in strengthening a nation's position in the global economic landscape, nurturing entrepreneurship and Start-up Ecosystems and ultimately contributing to the overall growth of the nation. Recognizing the pivotal role that STI plays in shaping the future in alignment with the "Vision for Amrit Kaal" outlined by the Government of India, an STI Conclave is scheduled to be held during 3rd-5th November, 2025.

Registration is now open and you can apply in any of the category as given below:

- Young S&T Leaders (below 45 years)
- Senior S&T Leaders (above 45 years)
- Poster Presentations (for researchers under 35 years)

Deadline: August 10, 2025
